

Cargo

DB Cargo Logistics

From Kecskemét to Kornwestheim & onwards

March 2025 | © DB AG / Oliver Tjaden

High-frequency and intermodal overnight shuttles

- **Fast and reliable shuttle connection** between Kecskemét and Kornwestheim with the possibility of seamless international and national **onward transport** to destinations such as Bremen, Hamburg and Stuttgart
- Secure transport of **intermodal loading units** and conventional rail wagons (e.g., sliding wall wagons)
- **Economic and environmentally friendly** transport
 - **Approx. 80% CO₂e reduction** compared to road transport alone
 - Certificate and further savings possible with **Climat+**

Rail saves approx. 80% CO₂e emissions compared to trucks
