Logistics centre in Maschen – from road to rail

Via our
logistics centre
in Maschen
we transported
125,000 pallets
in 2020

Easy rail access for customers without their own private siding

- **Prime location** directly in Europe's largest marshalling yards with high-frequency train connections in all directions
- From the consignor to the consignee – thanks to our **one-stop shop** service
- Multimodal logistics with main leg by rail – even for **customers without their own private siding**
- **Fast** and **uncomplicated** on-site processing
- **Safe loading** of your goods into sliding-wall wagons
- Benefit to the environment: up to a **2/3 reduction in CO₂ emissions** when compared with transportation solely by road

Interested? Your contact person will be happy to advise you.
